

EXTINCTO 2050

Characteristics:

Reliable correcting agent for offset printing plates; even burned-in photo-polymer-layers can be corrected with **EXTINCTO 2050**.

Application:

- Apply onto the spot to be corrected
- Wait a little while until the layer detaches
- Wash off with water and apply gumming solution

Safety indications:

- Product is alkaline - avoid skin contact
- Keep away from children
- Keep bottle tightly closed
- Avoid contact with eyes, mucous membranes and skin
- Splashes of the product on the skin or in the eyes must immediately be rinsed off thoroughly with plenty of water

Packing:

Glass bottles of 10 ml

The specifications given in this brochure are based on laboratory tests and practical experience. All specifications are to the best of our knowledge and reflect the latest state of the art, however, this does not imply any liability.
